11:00 am – 1:00 pm

6th – 9th Grade in Fall 2019

About the Camps

The philosophy of the Benet Baseball Camps is to teach players sound fundamental principles that will help them improve as baseball players. We will also demonstrate to the campers the hard work that is necessary to make them successful baseball players. Our camps will be run by our varsity baseball staff and will include instruction from current players, and Benet alumni. Our players will offer fundamentals and advice that have helped them advance to become successful varsity players.

At the end of each camp we want each camper to have a better appreciation for the great game of baseball and to leave with the knowledge and the skills in order to improve even after camp is over. In all of our camps we will break into groups according to age so that we can teach at a different level to the different age groups. Each camper will receive a Benet Baseball T-Shirt.

All camps will be conducted on the varsity baseball field in the back of Benet Academy.

Baseball Skills Camp

The baseball skills camp will focus on proper techniques associated with all aspects of fundamental baseball. A focus will be placed on infield play, outfield play and base running. This is a great way to equip the young baseball player with the proper skills and technique to play baseball at their best. This camp is a must for all developing baseball players. Campers will be broken into groups according to their age group.

Open to players entering 1st – 5th grades.

Advanced Hitting Camp

Each camper will have the opportunity to have their swing broken down. We will teach both the mechanics of the swing and the mental approach to hitting. This camp will take the hitter through drills that will develop more confident and efficient hitters.

Open to players entering 6th – 9th grades. NOTE: Camp is limited to 20 campers.

Advanced Pitching Camp

This camp will focus on the skills that are needed and drills to develop players into outstanding pitchers. The focus for this camp will be on proper pitching technique. The camp will focus on developing the young pitcher through pitching drills, defensive skill work, strength and conditioning, injury prevention, and mental preparation.

Open to players entering 6th - 9th grades. NOTE: Camp is limited to 20 campers.

Advanced 7th & 8th Grade/Incoming Freshman Skills Camp

This camp is designed to sample what playing baseball at the high school level is all about. We will run this camp like we would a freshman practice in order to give future Benet players an idea of what they will expect in the future. We will be doing all of the same teaching and drill work that we do with our own players in order to prepare future freshman for the high school baseball experience.

Open to players entering 6th - 9th grade.

Registration Form

Registration is also available on line at redwingbaseball.com.

*If registering more than one camper from your family, only fill out name, grade, grade school and t shirt size for second camper and staple to first camper's registration form.
